

Upgrade to a Better Counter Mount Soap System

Provide tenant preferred foam handwashing
while reducing restroom maintenance

GOJO Counter Mount Advantages Over Bulk Soap Systems

Bulk Pour Gallon Soap Systems Have Hidden Costs

EASILY CLOGS

Results in “soap’s out” complaints, even when container is full.

VALVE BREAKS

Leaves dispenser out of operation while a new part is ordered at extra expense.

INCREASES MAINTENANCE

Requires frequent trips under counter with spills during refilling; drips and staining can occur on the sink and floor.

JANITORIAL LIQUID SOAP

May be thinner and less appealing than products that tenants choose for their homes; may not enhance the restroom image.

Upgrading to GOJO

Pays Big Benefits in Tenant Satisfaction

GOJO CX™ Counter Mount Dispensing Systems

- Reduce “soap’s out” and “dispenser broken” complaints.
- High capacity cartridge minimizes change outs to fewer than five times per year in a typical office building.
- Foam soap has less solids than liquid soap. Foam rinses cleaner to eliminate drips, stains and clogs.
- Rich, botanically-infused foam soaps that tenants appreciate.
