

How to Sanitize

1

Take one pump of product.

2

Rub hands palm to palm.

3

Rub right palm over top of left hand with interlaced fingers. Repeat with left palm over top of right hand.

4

Rub palms together with fingers interlaced.

5

Rub backs of fingers to opposing palms with fingers interlocked.

6

Rotate rubbing the left thumb clasped in the right palm. Repeat with right thumb clasped in the left palm.

7

Rotate rubbing backwards and forwards with clasped fingers of your right hand in your left palm. Repeat with fingers of your left hand in your right palm.

8

Once your hands are dry they are safe to care for patients.

The total process should take approximately 20 seconds.
