

Send a Signal You Care

WITH THE PURELL SOLUTION™ FOR THE OFFICE

Proper placement of safe, effective products that people know and trust is critical to the success of your hygiene program. The PURELL® brand is known for a portfolio of hand hygiene and surface sanitization formulations designed with the strength needed to kill germs without compromise. We have a full portfolio of eco-certified products, including hand sanitizers and B2B soaps to achieve the prestigious Cradle to Cradle Certification™.

PURELL® Professional Hand Sanitizer

Kills 99.99% of most common germs that may cause illness

Formulated with skin conditions that keep hands soft

PURELL® Professional CRT HEALTHY SOAP®

Reaches into skin's cracks & crevices 2x better than regular soap^{1,2}

Saves up to 6 gallons of water per refill vs. regular foam soap³

PURELL® Professional Surface Disinfecting Wipes

Kills 99.9% of viruses and bacteria – including cold & flu and human coronavirus*

Disinfection times of 2 minutes or less

Formulated without harsh chemicals so there's no need for rinsing, gloves, or hand washing after use

Coming Soon!

PURELL® Professional Surface Disinfectant

Kills MRSA, VRE, and cold & flu in 30 seconds and human coronavirus* in 60 seconds

For use on a wide range of surfaces without harsh fumes or precautionary statements – no rinse required

Purell
PEACE OF MIND™

Trusted and Proven Products in the Right Places

When it comes to hygiene best practices, it's important to think about when and where employees and visitors need to clean their hands and disinfect the surfaces they touch – such as shared breakrooms and workspaces. Strategic placement of trusted hand hygiene and surface sanitization products helps to maintain a safe and comfortable workplace and lets you take credit for all the things you do to prioritize well-being.

76% of office workers agree that buildings that have PURELL® products available for use tend to be cleaner than other buildings.⁴

810 employees indicate having PURELL products throughout the office positively impacts their impression of their employer.⁵
